Its mysterious architect, “Cap’n” John H. Buckman, died of carbolic acid poisoning. The long-time owner of Lee Way passed after our last walk in 2017 and his estate was auctioned in 2018. What will happen to Lee Way now? Catch your best glimpse of the mansion on this walk, with the vegetation now cleared away. Enjoy a display of close-up photos and a rare virtual walk-thru video that we made on the days that the estate was open to the public.
